ST. XAVIER'S NEWSLETTER

## *The Principal's Desk*

It gives me immense pleasure to present to you the second copy of "The Reflections."

St. Xavier's School, Bathinda believes in all round development of its students. Not only academics but extra co-curricular activities too play a vital roll in enhancing the personality of the child. To give wings to the imagination of Xavierites an exhibition was organised in the School where the students showcased their talents. It was really great to see the budding Xavierites filled with enthusiasm and innovation while presenting their models in the exhibition to the visitors. Be it district, Even in sports, the Xavierites have emerged as winners at all level. The state or national level, they have brought great laurels. The exposure has given their personality a morale boost to emerge as better citizens in future. Last but not the least, my heartfelt thanks to all the parents who have been always there whenever Xaviers plans any new venture as a great support. Thanking you once again for reposing faith in society of Pilar. May God Shower his blessings on all of you.
