

REFLECTIONS

St. Xavier's Newsletter April 2016 - September 2016

"No this is not the beginning of a new chapter in my life: this is the beginning of a new book! That first book is already closed, ended and tossed into the seas; this new book is newly opened, has just begun! Look at the first page! And it is a beautiful one!"

Principal's Desk

"Education is the most powerful weapon which you can use to change the world. The function of education is to teach one to think intensively and to think critically. Intelligence plus character - that is the goal of true education."

Welcome to the session 2016-2017 at the St. Xavier's School. , I am extremely excited for the new school year for a variety of reasons, but most importantly, I look forward to working with the students, staff, and parents to make this year the best educational experience possible for our children.

This year we will continue to provide a positive safe learning environment that motivates our students to push themselves to their greatest potential. We plan to work with parents, and community members to ensure that we intellectually challenge our students to become critical thinkers, inspire them to push past their fears, and teach them to support one another so that they can become leaders of their generation.

In addition to academics, there are many other school activities for student participation. We strongly encourage all students to participate in extra-curricular opportunities and contribute to the school. This is a special way to make a connection with classmates and teachers and develop a great sense of pride for your school.

I look forward to watching your child grow academically, socially and emotionally at St. Xavier's Bathinda

All the best.

Our Achievers

"Permanence, perseverance and persistence in spite of all obstacles, discouragements, and impossibilities: It is this that in all things distinguishes the strong soul from the weak."

Topping the district has become a habit with Xavierites. Every year our students strengthen our hold as the best institution in the region. Gursimran became our district topper securing 96.8% in humanities.

Stream Toppers

Abhinav Jindal

Abhinav Jindal became the pride not just of the school infact of the entire city by securing 5th all India rank in CLAT (Common Law Admission Test)

**Gursimran Kaur (96.8 %)
Humanities**

**Megha (96%)
Commerce**

87

Class X results were equally encouraging 89 of our students scored 10 CGPA

" The mind once Enlightened cannot again become dark"

"Every day is a good day.

There is something to learn, care and celebrate

Independence day

Teachers Day

Labour Day

Junior Wing

Inter School Competition

As mentors it becomes our responsibility to instill in our students a healthy attitude towards competition. We must train them to be mentally strong to face victory and failure without losing enthusiasm. A number of inter house competitions were organized to make our students healthy competitors.

Trips & Visits

"The world is a book and those who don't travel read only one page."

We began the session by exposing our students to the world outside the four walls of the school. Nature is the best teacher and everything we learn by practical experience is retained better. So, we organized some very informative and educative trips for our students to enhance their learning experience.

"The purpose of life is to live it, to taste experience to the utmost, to reach out eagerly and without fear for newer and richer experience."

Society Out Reach

"The best way to find yourself is to lose yourself in the service of others"

St. Xavier's has been the front runner, in society out-reach programmes. Society of Pilar established a pathology lab on power house road Bathinda, for the service to society. The lab was inaugurated with grand celebration on 23rd July

"Without community service, we would not have a strong quality of life.

It's important to the person who serves as well as the recipient. It's the way in which we ourselves grow and develop."
