

ST. XAVIER'S SCHOOL, BATHINDA

Seminar on Experiential Learning Solutions based on NEP 2020 and NCF 2023

20th April, 2024

'Technology is used best when it brings people together.'

Keeping this thought in mind, an enriching seminar was conducted on the topic, Experiential Learning Solutions based on NEP 2020 and NCF 2023. The resource person for this seminar was Mr. Kinshuk Parida, a distinguished name in EdTech, who has handled various projects within Entab. Mr. Parida threw light on the volatile, uncertain and ambiguous environment faced by the educators due to the rise of artificial intelligence. He emphasized on the development of essential skills among the youth to cope up with the growing competition. Mr. Parida enlightened the teaching faculty about the role of NEP 2020 in the teaching, learning process and the tools required for the same. To conclude, this seminar helped in equipping the educators with essential skills to develop their teaching pedagogy.
