ST. XAVIER'S SCHOOL, BATHINDA

XAVIER'S CYCLOTHON 2024

20th April, 2024

The morning of 20th April 2024, bore witness to an awe-inspiring spectacle of a cycle rally organized by St. Xavier's School, Bathinda. The cycle rally, themed around the transformative potential of artificial intelligence which needs to be utilised with diligence so that it can serve as an amalgamation of innovation and progress.

The rally drawing maximum participants from the school was flagged off by the Honourable Chief Guest, Mr. Shivmangal Singh, Deputy News Editor from Dainik Bhaskar along with Parish Priest Rev. Fr. Ivo Dias, Principal, Rev. Fr. Cidloy Furtado, Coordinator Archana Rajput and Supervisor, Miss Nupur.

Guided by the principles of artificial intelligence, the young cyclists navigated through the roads with precision and efficiency, thus spreading an awareness amongst the city residents about the integration of man and technology in today's education system. Along the route, bystanders paused in admiration appreciating the cyclists as they pedalled past with indomitable spirit.

The participants demonstrated that the wheels of progress are indeed driven by the power of the people and artificial intelligence without human intervention stands incomplete. The students were exhausted after a long ride around the city yet they glowed with elated faces and the purpose of this rally exhibited clearly the truth – in the pursuit of a brighter tomorrow, every revolution counts and one needs to accept the revolution but at the same time we collectively have to take the responsibility of integrating AI into the society ensuring that technological advancement remains aligned with human values and principles and following ethics in AI should be one's priority.
